### Footnotes

1. In-network benefits apply for services rendered through St. Luke's Health Partners in the defined service area, when traveling or using care outside of the service area utilize the applicable First Choice Health or First Health networks. To determine if your provider is in network go to [stlukeshealthplan.org/find-a-doctor](http://stlukeshealthplan.org/find-a-doctor).
2. Under the Smart Co-pay program, the manufacturer will pay all or a portion of a Member's Copayment or Coinsurance through the manufacturer's assistance program. When manufacturer assistance is available on select medications, a Member's Copayment or coinsurance amount may reflect up to the maximum value of any manufacturer assistance. The amount paid by the manufacturer does not apply towards the member's outstanding Deductible or Out-of-Pocket Maximum. St. Luke's Health Plan will help coordinate these assistance programs for you.
3. All out-of-network services are subject to deductible unless otherwise noted.
4. This Individual Policy does not include coverage for pediatric dental care, which is considered an essential health benefit under the Affordable Care Act. Pediatric dental care is available in the market and can be purchased as a stand-alone product. Please contact your insurance agent, a stand-alone dental insurance provider or Your Health Idaho if you wish to purchase a stand-alone dental care product.
