

\$0 for many medications.

Better benefits for a healthier you.

You deserve personalized care with national reach. Our pharmacy benefits manager works directly with doctors, in-state pharmacies and national chains to ensure you've got the medication you rely on to live your healthiest life. Whether you're at home or exploring new cities, we've got you covered.

Here for your unique Rx needs.

Take advantage of the only health plan in the state that partners with an Idaho-based specialty pharmacy stocked with medications for cancers and advanced illnesses. Just call 208-205-7779 for assistance.

Never miss a refill again.

Get medications delivered right to your door through our mail-order pharmacy.

You can also get up to a 100-day supply of certain medications through the mail or through St. Luke's Outpatient Pharmacy. Just call 208-706-6245. Some exceptions apply.

\$0 co-pays.

You'll have access to hundreds of prescription drugs offered at no out-of-pocket cost to members.*

In addition to Affordable Care Act preventive medications offered at no cost, you'll pay \$0 for many generic medications in these classes:

- Antibiotics
- Asthma
- Blood pressure
- Blood thinner
- Cholesterol
- Depression
- Diabetes
- Thyroid

**Offered through all plans except Bronze. Deductibles may apply first for High Deductible Health Plans.*
