

Exclusive discount for St. Luke's Health Plan members.

At St. Luke's Health Plan, getting you the care you need, when you need it is our top priority. That's why we're offering an exclusive membership discount to Air St. Luke's for St. Luke's Health Plan members.

From car accidents to heart attacks, Air St. Luke's provides the best protection in case of an emergency—especially when you're far from a hospital. As an Air St. Luke's member, your annual membership waives any out-of-pocket costs for medically necessary transports, whether it's Air St. Luke's or a partnering program.

Your membership covers any transport costs not covered by St. Luke's Health Plan, ensuring you won't be responsible for additional expenses. And, you'll always be taken to the most appropriate facility, as determined by the attending physician or emergency personnel.

Your health and safety matter to us—and Air St. Luke's is a great way to ensure you're protected.
